Dear Fellow Historian,

Re: History Week 2010

Now that Easter and Autumn festivities have passed and the winter is setting in you might be wondering what you can do to fill in the quieter months.

Murrindindi Historic Register is organising and coordinating shire-wide **History Week** for **2010**. This year's dates are **Sunday 24th to Sunday 31st October 2010**. You are invited to participate by organising and promoting an event.

MHR has decided to hold History Week 2010 in conjunction with a similar program throughout Victoria. Once the events have been selected by the towns in Murrindindi, MHR will notify the Royal Historical Society Victoria for inclusion on the program of events.

Here are a few activities that could be considered for the program: a cemetery walk; town walk; photo or art exhibition; feature a special building such as a mechanics' hall or historic cottage; organise refreshments in the local library with a guest speaker. Children could be involved with competitions such as painting, drawing or, for the younger ones, colouring in drawings of local significant buildings, bridges, trees, birds or their new playground equipment.

We hope you or your organisation would like to be included in the Murrindindi Shire History Week 2010, because Murrindindi is a special place with a rich and interesting history that's worth celebrating. Register your events or program by completing the attached form and return it to:

J. Laws, History Week Coordinator, P O Box 288, Alexandra Vic 3714

Please pass a copy of this letter and registration form onto anyone you think may like to participate.

Once the forms have been received MHR will organise publicity through the Murrindindi Shire Council Events Program, Visitor Information Centres, local papers, website and Royal Historical Society Victoria website.

We hope you can join us for a chance to showcase your town. For more information please check out www.historyweek.org.au.

Yours historically,

Jane Laws
